

MX 16.3

PNEUMO-MECHANICAL CORE CHUCKS

- ✓ Very compact size and robust
- ✓ Easy installation
- ✓ Perfect grip on the reel core
- ✓ Perfect control of the reel
- ✓ No maintenance
- ✓ For cores from 3" to 6"

MX 16.3 pneumo-mechanical core chucks are provided with a pneumo-mechanical system which, using air pressure, expand or release a series of keys that guarantee a safe and good fixing on the reel core.

MX 16.3 chuck is very compact and robust; it guarantees safety for the operator, reliability on the reel control and no maintenance.

The basic version can fit cores with 70mm and 3" of diameter, whereas, thanks to AX adaptors, it can fit also reel cores with different dimensions: 4", 5" and 6".

For these characteristics of sturdiness, flexibility, long life span and ease of installation, MX 16.3 core chucks are widely used in the converting industry.

MX 16.3 chuck
